**Attendance:**

Those on the call: Kathy Walter, Michele Poletti, Andy Rodriguez, and April Thompson

**Guests:**

Denita Johnson and Milet Hopping

Kathy Walter welcomed everyone, and she said she wanted a quick meeting to bring everyone together to go over the items they could use to contact their state and regional service officers about the awards. She said she has not had a chance to send her emails out yet, but she hopes to soon. She said she is also going to contact local housing authorities who have won in the past to let them know the application process is open, as well as some of her contacts from around the county.

Milet said she sent her emails, and she also wanted to know if there were any regions who were not represented so they could cover those as well. Staff said they did not have a subcommittee member in NCRC, but they also might want to cover PSWRC since the subcommittee member from that area has not been as involved as they have been in the past.

Denita asked if anything was sent to the people who submitted previously, and staff said she sent an announcement to the submitters from the past two years encouraging them to apply again.

Kathy ended the call by asking everyone to send out their emails if they haven't done so already, and she wished everyone a Happy Thanksgiving.

The call ended at 3:12 pm.
