Attendance:

Those on the call: Kathy Walter, Liz Morales, Andy Rodriguez, Revonda Stordahl, April Thompson, and guest Milet Hopping

Kathy Walter welcomed everyone and said it was going to be a short meeting. She mentioned she took part in the NAHRO Alaska Study Exchange last week, and she was very impressed with the Cook Inlet Housing Authority. She toured one of their properties which had won an Award of Excellence a few years ago, and she said it was nice to see it first-hand and be able to congratulate them in person. Liz Morales said she was impressed with them as well, and the exchange was a good opportunity for the other Indian housing authorities to learn about NAHRO and find out they could be recognized for their good work too.

Staff said today at 11:59 pm is the last day to submit individual award applications. She said as of right now, they had not received any applications for the Emerging Leaders Award, so she encouraged them to apply if they knew anyone at their agency who is doing good work. She also said they are the subcommittee who normally grades the applications, so if any come in, she will send them out along with a score sheet tomorrow. Finally, staff mentioned if any of the subcommittee members were going to be in Phoenix, she will need help during the Awards of Merit presentation. Liz, Revonda, Kathy, and Andy all said they would be available.

Kathy asked if there was any other business. Andy asked for clarification on the meeting schedule in Phoenix. Staff said the current and incoming committees will both meet on Wednesday and then the incoming committee will vote for their new chair on Thursday. Kathy asked if there was any other business and hearing none, the call ended at 3:20 pm.

Next Call: September 16, 2021, at 3:00 pm ET
