Gerrit presented on the Netherlands housing crisis.

C. DISCUSSION ABOUT DIVERSITY GRANT AND HOW TASKS WILL BE DISPERSED

Alan reported again that NAHRO received a grant from Wells Fargo to conduct work on DEI. **Liz** followed this up on the DEI Framework that has been created and explained that since IRGE has access to information through our partners in a number of different facets, the DEI committee is looking to IRGE to research and report on more areas than many of the other committees who are only expected to report on their committee specific areas.

D. QUAD REPORT

Alan reported that we are behind and have not started. **Jori** reported that she pulled down all of the previous reports to use as a guideline. Additionally, she will convert one of these into Word to use as a template. **Kerron** reported that he wrote the last report and that we need to be mindful of the word count because we are limited within the UN template.
