Virtual Meeting Minutes
Wednesday, June 15, 2022
1:00 – 2:00 p.m.**

Presiding: Zella Knight – Chair

Chair, Zella Knight welcomed everyone and roll call completed by La Tonya Rajah, Staff Liaison.

April, 20 MEETING RECAP:

- Primary focus: development of measurable objectives targeting the subcommittee's major objective - work with Diversity, Equity and Inclusion Advisory Committee (DEIAC) and Professional Development (PD) to develop external relationships with non-traditional organizations like schools, health care centers, nonprofits, etc., and make them aware of what the housing authority/agency has to offer.
- Discussed talking points, and how commissioners can be better ambassadors. Commissioners expressed varied experiences regarding how the agency is represented by commissioners and staff.
- Task among all subcommittees: develop a survey to determine the extent of the work being done with non-traditional partners. Some of the areas discussed from the social determinants of health in the [DEIAC Policy Framework](#) were criminal justice, education, (which may include pre-k through 12, colleges and universities, non-traditional higher education, access for healthy food, dental and medical care).
