

2025 State-Level Data Flyers: Data Dictionary

Definitions apply according to the selected geography. For example, data in the National Data flyer consists of all data for all geographies nationally (all states and territories). Data for a specific state encompasses all housing entities operating these programs within a given state. **Unless otherwise noted, measures are from calendar year 2024.**

Office of Public and Indian Housing Funding

Housing Choice Voucher Housing Assistance Payments—the sum of “Total HAP” from HUD’s Voucher Management System (VMS) data

Source: [HUD Voucher Management System Data](#)

Housing Choice Voucher Admin Fees—the sum of the following measures from HUD’s Voucher Management System (VMS) data: “Non-MTW Administrative Expenses,” “Mainstream – Administrative Expenses,” “MTW – HCV Administrative Fee Expense,” “MTW – HCV Administrative Fee Expenses Using HAP,” “Disaster Administrative Fee – [1-4],” Source: [HUD Voucher Management System Data](#)

Public Housing Operating Fund—the sum of Public Housing Operating Fund formula grants and operating fund shortfall grants.

Source: [Public Housing \(PH\) Data Dashboard](#)

Public Housing Capital Fund—the sum of Public Housing Capital Fund grants, capital fund emergency disaster, capital fund emergency Safety and security, and receivership grants

Source: [Public Housing \(PH\) Data Dashboard](#)

Choice Neighborhoods—these data were omitted for the September 2025 funding update of 2024 data because Choice Neighborhoods Grants were not obligated in 2024

Office of Community Planning and Development Funding

Community Development Block Grant—the sum of all Community Development Block Grant awards made in 2024

Source: [CPD Awards and Allocations](#)

Home Investments Partnership Program – the sum of all Home Investment Partnership Program awards made in 2024

Source: [CPD Awards and Allocations](#)

Homelessness Assistance Grants – the sum of Continuum of Care Program awards and Emergency Solution Grants Program awards made in 2024

Source: [CPD Awards and Allocations](#)

Housing Trust Fund – the sum of all Housing Trust Fund awards made in 2024.

Housing Choice Vouchers (HCV)

Families with a Housing Choice Voucher—number of leased HCVs as of May 2025

Source: [Housing Choice Voucher \(HCV\) Data Dashboard](#)

Average family size — “Number of people per unit” in the HCV program

Source: [Picture of Subsidized Households](#)

With an elderly head of household/spouse — “% 62 or more (Head or Spouse)” in the HCV program

Source: [Picture of Subsidized Households](#)

With children – sum of “% 2+ adults with children” and “% 1 adult with children” in the HCV program

Source: [Picture of Subsidized Households](#)

Estimated Reduction in Families Served (FY25 House Bill)—see formula below for projection methodology. Data updated September 2025 using CY 2024 Housing Choice Voucher data and 2026 House Appropriations bill funding proposal.

2024 State HAP Percentage = (2024 State HAP/2024 Total HAP)

2026 State HAP Amount (Fully Funded) = Estimate of fully funding based on NAHRO calculations * 2024 State HAP percentage

2026 State HAP Amount (House) = (2024 State HAP Percentage * House HCV HAP Proposed Funding)

State Per Unit Cost = 2025 State Average Per Unit Cost * 12

Reduction in Voucher Households Served (House) = ((2026 State HAP Amount (Fully Funded) - 2026 State HAP Amount (House)) / State 2025 Per Unit Cost

Sources: [Housing Choice Voucher \(HCV\) Data Dashboard](#), [FY 2025 House Draft T-HUD Bill](#), [HUD Voucher Management System Data](#)

Estimated Reduction in Families Served (FY25 Senate Bill)—see formula below for projection methodology. Data updated September 2025 using CY 2024 Housing Choice Voucher data and 2026 Senate Appropriations bill funding proposal.

2024 State HAP Percentage = (2024 State HAP/2024 Total HAP)

2026 State HAP Amount (Fully Funded) = Estimate of fully funding based on NAHRO calculations * 2024 State HAP percentage

2026 State HAP Amount (Senate) = (2024 State HAP Percentage * Senate HCV HAP Proposed Funding)

State Per Unit Cost = 2025 State Average Per Unit Cost * 12

Reduction in Voucher Households Served (Senate) = ((2026 State HAP Amount (Fully Funded) - 2026 State HAP Amount (Senate)) / State Per Unit Cost

Sources: [Housing Choice Voucher \(HCV\) Data Dashboard](#), [FY 2025 Senate Draft T-HUD Bill](#), [HUD Voucher Management System Data](#)

Public Housing

Families Living in Public Housing—number of leased units **as of August 2025**

Source: [Public Housing \(PH\) Data Dashboard](#)

Average family size—“Number of people per unit” living in Public Housing

Source: [Picture of Subsidized Households](#)

With an elderly head of household/spouse—“% 62 or more (Head or Spouse)” living in Public Housing

Source: [Picture of Subsidized Households](#)

With children—sum of “% 2+ adults with children” and “% 1 adult with children” living in public housing

Source: [Picture of Subsidized Households](#)

Homelessness

Individuals Experiencing Homelessness—sum of “Overall Homelessness” **as of January 2024**

Source: [2024 Annual Homelessness Assessment Report: Part 1 – PIT Estimates of Homelessness in the U.S.](#)

Low Income Housing Tax Credit

Low Income Housing Tax—the sum of “n_units” (total number of units) **as of May 2025**

Source: [LIHTC Property Data](#)
